Dear Sir/Madam

Application for the Private Part-Time Tutor for Pre-Primary Learner

With reference to your advertisement on the Jobs Namibia Page, dated 6<sup>th</sup> May 2022 for the above mentioned position, I would like to avail my application for the Private Part-Time Tutor for Pre-Primary Learner. I am a 25 years old Pre/Junior Primary Education graduate from The International University of Management (IUM) and I have obtained a Diploma in Pre/Junior Primary Education NQA Level 7 with English, Oshindonga, Numeracy, Arts Education, Inclusive Education, First Aid, Psychology Education and Life Skills Education as my core Modules.

Due to the economic situation in our country, I did not manage to secure a permanent teaching position, however I have teaching experience of more than three years by taking up temporary volunteering teaching positions at various schools. Currently I am volunteering at Mandume Primary School (Khomas Region). Kindly find attached testimonials in this regard.

I have attached my educational qualifications, as well as my resume for further perusal and will be available to take up any opportunity that may arise. I am looking forward to your positive response.

Yours sincerely
