Avivo

RE: Aged Care Worker

Dear Sir/ Ma'am

I was excited to learn about the Aged Care Worker position with Avivo posted on your company website and would greatly appreciate your considering my placement in this role. I've closely reviewed the needs and requirements for this role and believe that my life experiences have prepared me to contribute immediate value to your organization as a trainee. I am hardworking, honest and ready to explore, learn and grow as an Aged care worker while gaining essential qualifications if given an opportunity.

While in Bhutan, I have worked hard to hone my housekeeping and grooming skills. I am focused and attentive to detail when addressing high-volume task loads to meet deadlines. I am inspired by making a positive impact by applying meal planning and preparation skills and my problem-solving abilities allow me to address challenges to achieve results.

My academic and life experiences have served me well in developing my teamwork, interpersonal, and problem-solving skills. I work well to use clear and concise communication to interact professionally with co-workers, supervisors and customers. I look forward to speaking with you regarding my skill set and attributes which I believe will serve as an asset to support Avivo's goals. Please take a moment to review my attached resume. Thank you for your time and consideration.

Sincerely,
Dorji Zangmo
