Dear Lula Abusalih,

My name is Nassima Mouhoub, a 27 years old girl, holder of Moroccan nationality. I have been graduated with a Bachelor Degree in Chemistry major in 2020.

I am interested in Substitute Teacher position in your school. I would like to take my first step in my career with your team, learn from them and show my abilities as well. I have volunteered as a childcare provider for 6 months, so I have a good experience with children and also I can communicate well with different ages of young people.

My resume was enclosed with this letter, so you can review my personal information. I would appreciate the opportunity to talk with you to see how may the school benefits from my capacities.

Thank you for your time and consideration, I look forward speaking with you in the near futur.

Best Regards,

Nassima Mouhoub.
