Who we are & what we do?

Back in 1981 when PTMT (Polytetra Methylene Terephthalate) Bath Asset was in its nascent stage in India. There were absolutely no reliable manufacturers and suppliers of PTMT Bathroom Accessories & PTMT Hardware Fittings in India. These were entirely imported. That is when R.S. Industries started manufacturing PTMT Bathroom Accessories & Hardware Fittings, Bathroom Mirror Cabinets, ISI Marked PVC Flushing Cistern and Plastic Toilet Seat Cover under the registered brand name of POLYTUF®.

“A Trust Built Over 30+ Years, makes POLYTUF® most popular amongst it’s clients.”

With core values of High Quality at Sensible Rates, POLYTUF® PTMT Bath assets kept Customer Satisfaction as the focal point of its growth. Today, 30 years later, we have grown much bigger, with our products being supplied to various PSUs & Government Departments including BHEL, NCC Ltd., AIIMS, CPWD, MES, Indian Railway and many more, but our core values remain the same.

Founded and headed by Mr. Rajiv Virmani, R.S. Industries has manufacturing unit in Shahzada Bagh Industrial Area, New Delhi, India.

The central marketing office is located in a major commercial center of New Delhi, India. Consistent customer trust in brand POLYTUF® is proof of our quality and our claim of being trusted manufacturer and supplier in India of a complete range of POLYTUF® PTMT Bath Assets.
