TESTIMONIAL

TO WHOM IT MAY CONCERN

This is to certify that **Teopoline Simon**, born 10/07/1997 was a bona fide student of Cosmos High School from 2014 to 2017.

She wrote the NSSCO in the following subjects:

- English (Core Level)
- Afrikaans (Core Level)
- Mathematics (Core Level)
- Biology (Ordinary Level)
- Physical Science (Ordinary Level)
- Developmental Studies (Ordinary Level)

Teopoline was a rather quiet learner, who was diligent in her studies. Teopoline has proven herself to be a socially well-adjusted young woman, who demonstrated her strength in a quiet manner. She was well liked by her teachers, as well as her fellow classmates because of her exceptional manners and friendly personality. During her time with us she was a Blood Ambassador for the Blood Donation Organisation.

She bears an excellent moral character. I wish her a successful career.

Sincerely,

Ms. J. Klein
Acting Principal
